Hands-On Introductory Ultrasound Course

Objectives

- Develop a basic understanding of how ultrasound works.
- Introduction to studies that may help in clinical decision making, specifically: FAST exam (focused assessment with sonography in trauma, identification of intrauterine pregnancy, IV line placement, identification of abdominal aortic aneurysm, and evaluation for gallstones.
- It is focused toward providers with limited to no ultrasound experiences.
- Introduction to Procedures
- 1/2 of scheduled time completing proctored ultrasound studies on live patients.
- Problem based learning

The AAFP has reviewed Introductory Hands

-On Ultrasound Course and deemed it

acceptable for up to 14.25 Live AAFP

Prescribed credits. Term of Approval is

from 09/22/2023 to 09/23/2023. Physicians

should claim only the credit commensurate

with the extent of their participation in the

activity.

AMA/AAFP Equivalency - In Addition:

AAFP Prescribed credit is accepted by the

American Medical Association as equivalent

to AMA PRA Category 1 credit(s)TM toward

the AMA Physician's Recognition Award.

When applying for the AMA PRA,

Prescribed credit earned must be reported

as Prescribed, not as Category I.
